DETAILED ACTION

1. This office action is in response to the amendment filed on December 21, 2004, in which claims 25-29 and 38-39 were canceled and claims 30-37 and 40-51 are presented for examination.

Response to Arguments

2. The amendment filed on December 21, 2004 has been considered. The information referred to therein has been entered in the application file.

Allowable Subject Matter

3. Claims 30-37 and 40-51 are allowable in light of the Applicants' arguments and in light of the prior art made of record.

Reasons for Indicating Allowable Subject Matter

4. The following is an examiner's statement of reasons for allowance: Upon searching a variety of databases, the examiner respectfully submits that "wherein said at least one lookup table includes a first type lookup table and a second type lookup table, the first type lookup table containing an allocation between types of structure of replication objects and responsible node systems, the second- type lookup table containing an allocation between entities of replication objects and responsible node systems, the responsible node systems being responsible for the replication object in the database network system"; and "determining, in a replication algorithm, responsible node systems for the replication object, wherein the step of updating is carried out in a realignment algorithm independently of the replication algorithm, and asynchronously with

respect to the replication algorithm”, in conjunction with all other limitations of the dependent and independent claims are not taught nor suggested by the prior art of record (PTO-892).

Therefore, all pending claims 30-37 and 40-51 are hereby allowed.

5. Since allowable subject matter has been indicated, applicant is encouraged to submit formal drawings in response to this Office action. The early submission of formal drawings will permit the Office to review the drawings for acceptability and to resolve any informalities remaining therein before the application is passed to issue. This will avoid possible delays in the issue process.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Conclusion

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jean M Corrielus whose telephone number is (571) 272-4032. The examiner can normally be reached on 10 hours shift.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John Breene can be reached on (703) 305-4393. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
